Woods' Farming & Heritage Museum, Rupanyup

History Exploration

Rich in history, The Stick Shed is the 101st place included in the National Heritage List, giving recognition to the Shed's significant part of history associated with Australia's wheat industry and the impact of World War Two on the home front.

Entry on the National Heritage List also ensures that the place will be protected and celebrated for future generations.

Events

In the short time of events being held in The Stick Shed, there has been a wide range of music genres, fine dining and artistic creations.

Watch this space as more exciting events will be continually offered.

Educational

Schools and history enthusiasts can take full advantage of the in-depth history with six stories shared on an Audio Post at the entrance of The Stick Shed.

Book a guided tour and investigate the magical space further inside.

Weddings & functions

For Weddings or Special Functions, consider hiring The Stick Shed and capture life-long memories with your choice of Photographer.
